When nobody else loves ....

Larry Moe & Curly Joe

Oh PLEASE let these shorts stay up just a few more seconds!

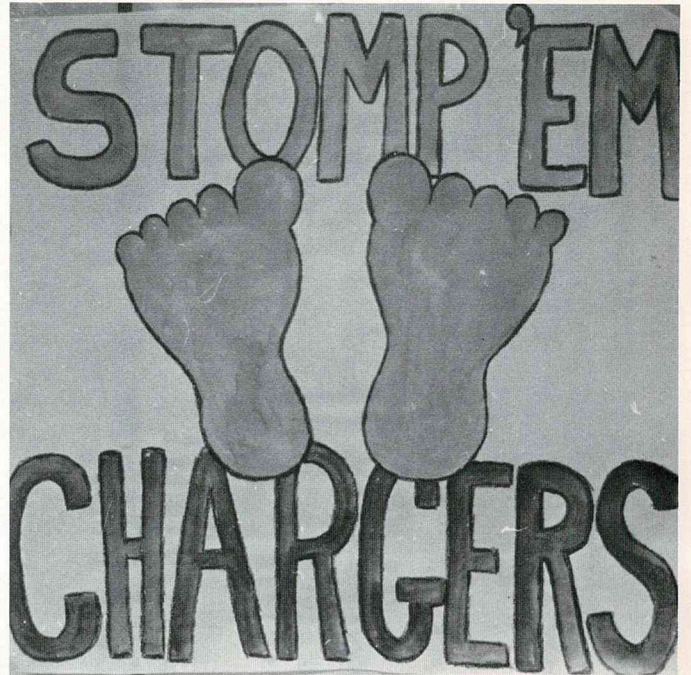

Thank you and come again!

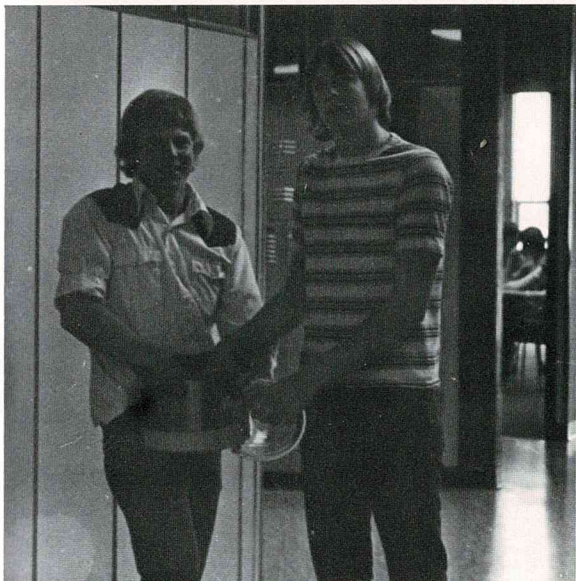

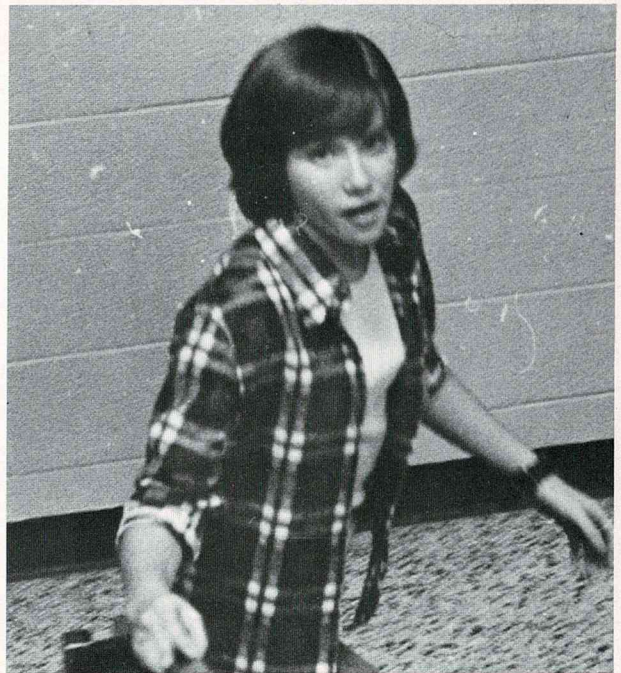

Maybe I can get by if I look intelligent!

Athletic Feet?

And the winner is ....

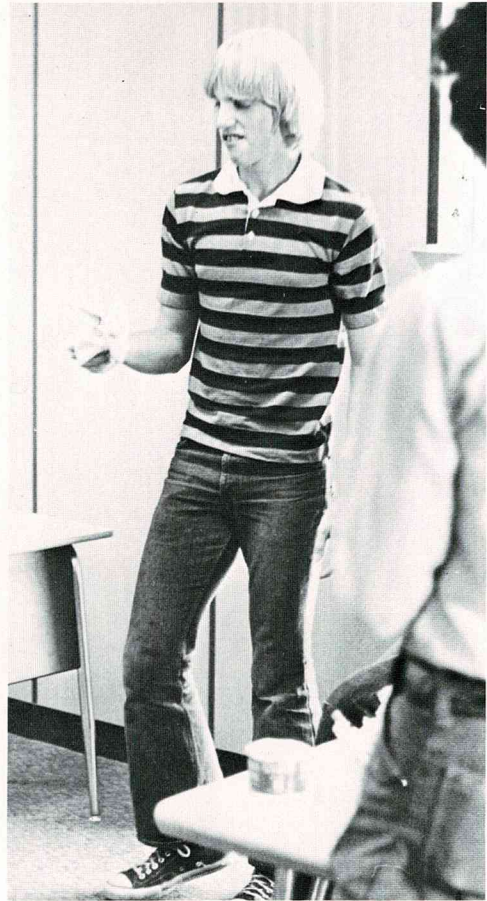

What do you mean where am I SUPPOSED to be this hour?

Two mouths are better than one!

Alright who's the wise guy who left the spitball in my chair?

Oh! the agony of defeat.

BATTLE of the sexes!

This is our reward!

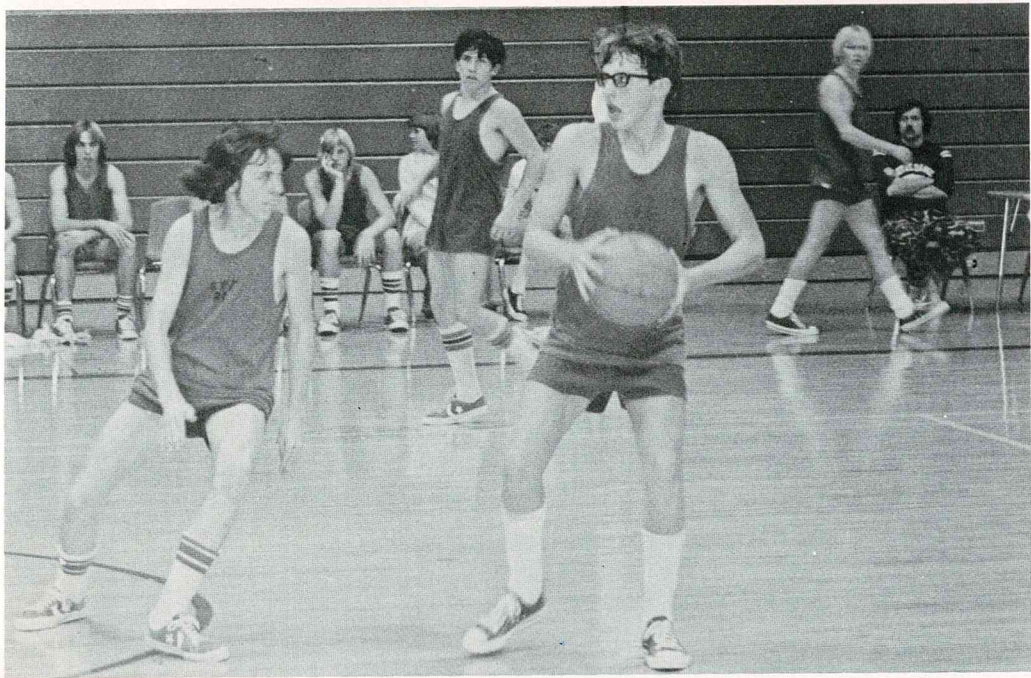

At least give me what's done!

Wanna bump?

**Say your sorry and I'll give it back!**

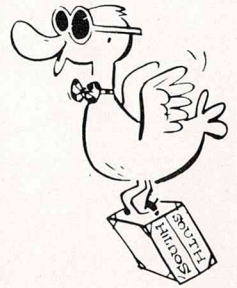

**Teachers don't always like to be here either!**

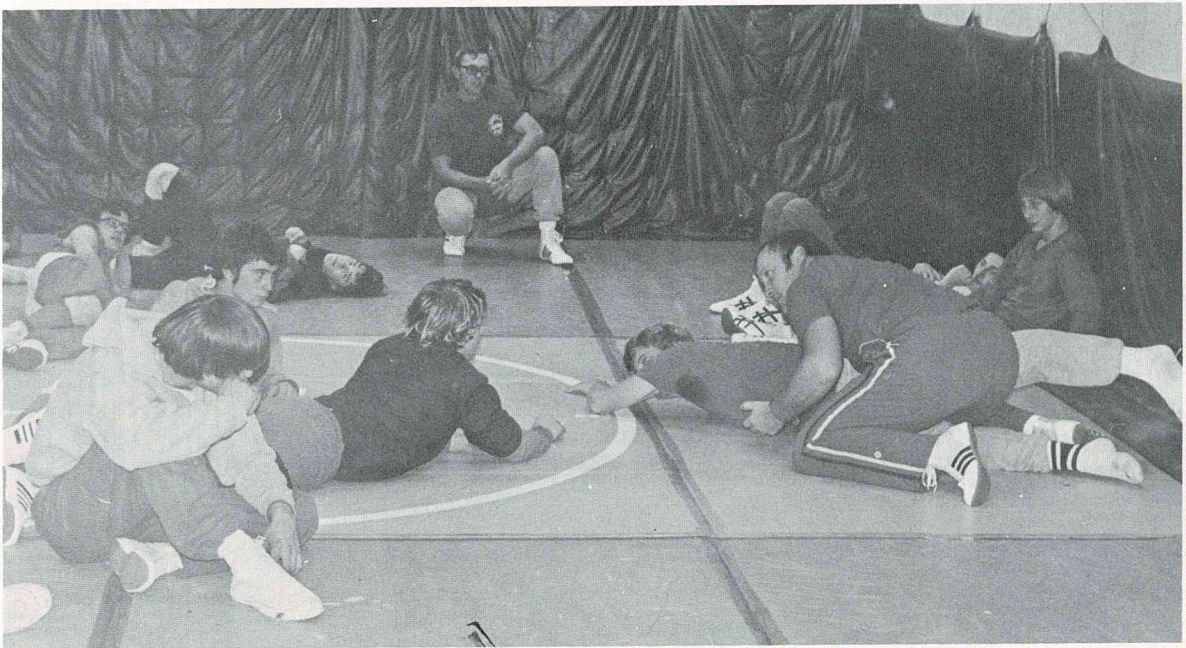

**Who turned the lights on?**

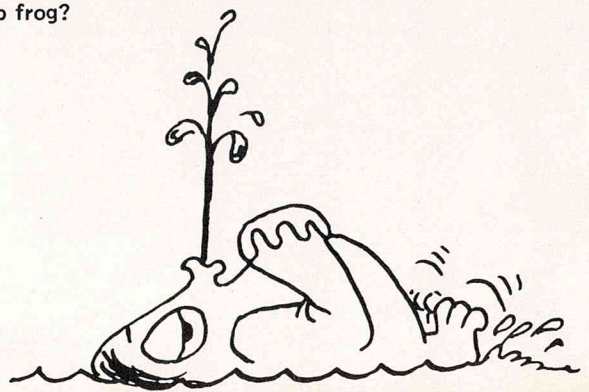

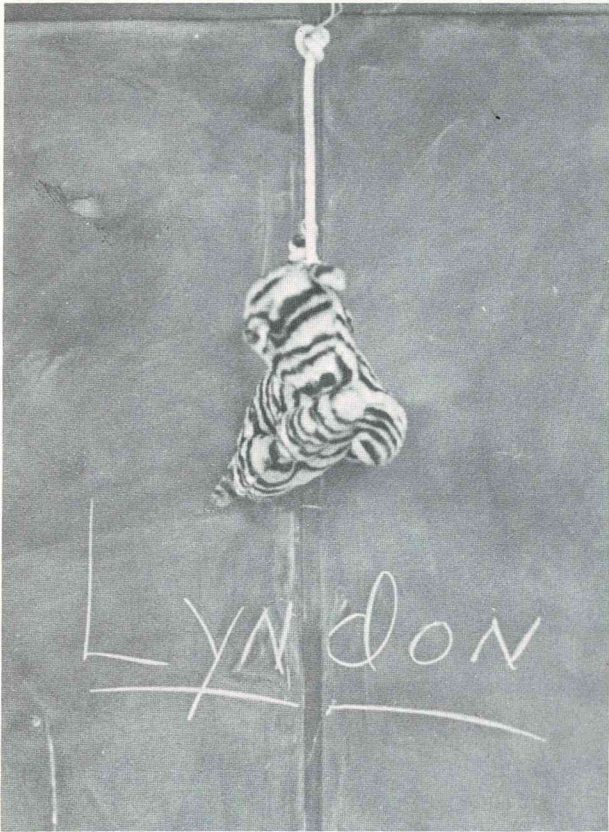

Oh No! Was I supposed to jump over this or go underneath it?

Wanna play leap frog?

Santa Fe's First Tiger Hanging!

Mike, Didn't your mother ever tell you not to talk with your mouth full?

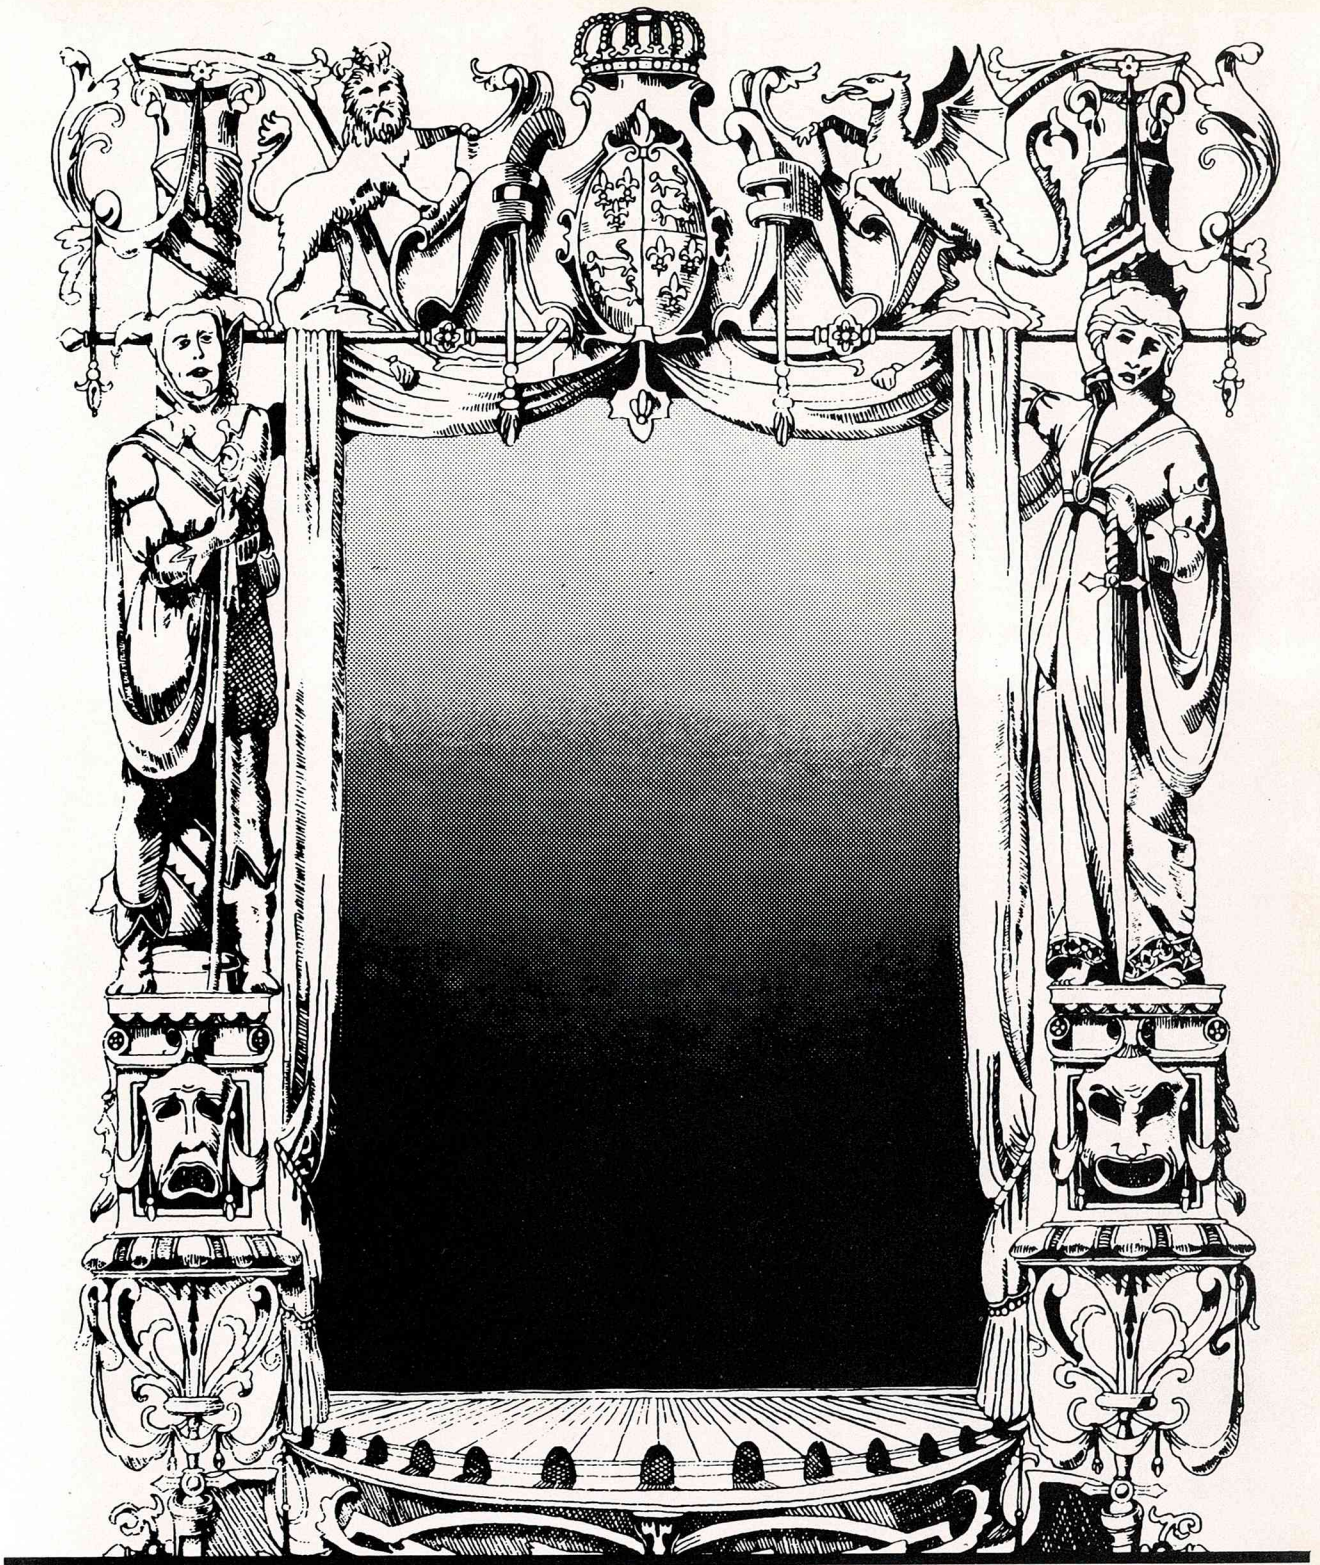

Keep your eyes closed, Terri.

They helped with final enrollment, gave an all-school Thanksgiving assembly and planned a Christmas party for the Head Start children---and that was all during the fall semester! During the second semester they sponsored a party for residents of the Brookside rest home, and honored their Senior members and all Kayette's mothers at the annual Mother-Daughter Tea. For a year-long project they agreed to sponsor Rose Marie at the Murrow Indian Home again this year.

Kayette officers for the 1976-1977 school year were Debbie Johnson, President; Sherrita Mercer, Vice-President; Joni Goodyear, Treasurer; and Janel Anderson, Secretary.

## Student Council of '77'

The choice between Stan Friesen and Alan Coffman for vice President. Contenters for secretary were Kathy Carothers and Tammy Marsh. Joyce Garner, Traci Lynch and Ron Emerson indicated their desire to be treasure. A Surprising development occurred when Tom Geiss dropped out of the race and relinquished all his support to Lois.

Speeches were given by each candidate Thursday the 23rd. Each stated his or her ideas and intentions for the office they were seeking. Friday the school voted for one person per office and the results were revealed during sixth hour that day.

The new officers of 76-77 year were as follows: President Lois Morris; Vice President-Stan Friesen, secretary Tammy Marsh, and Treasurer, Traci.

# SFT Launches Art Fair Tradition

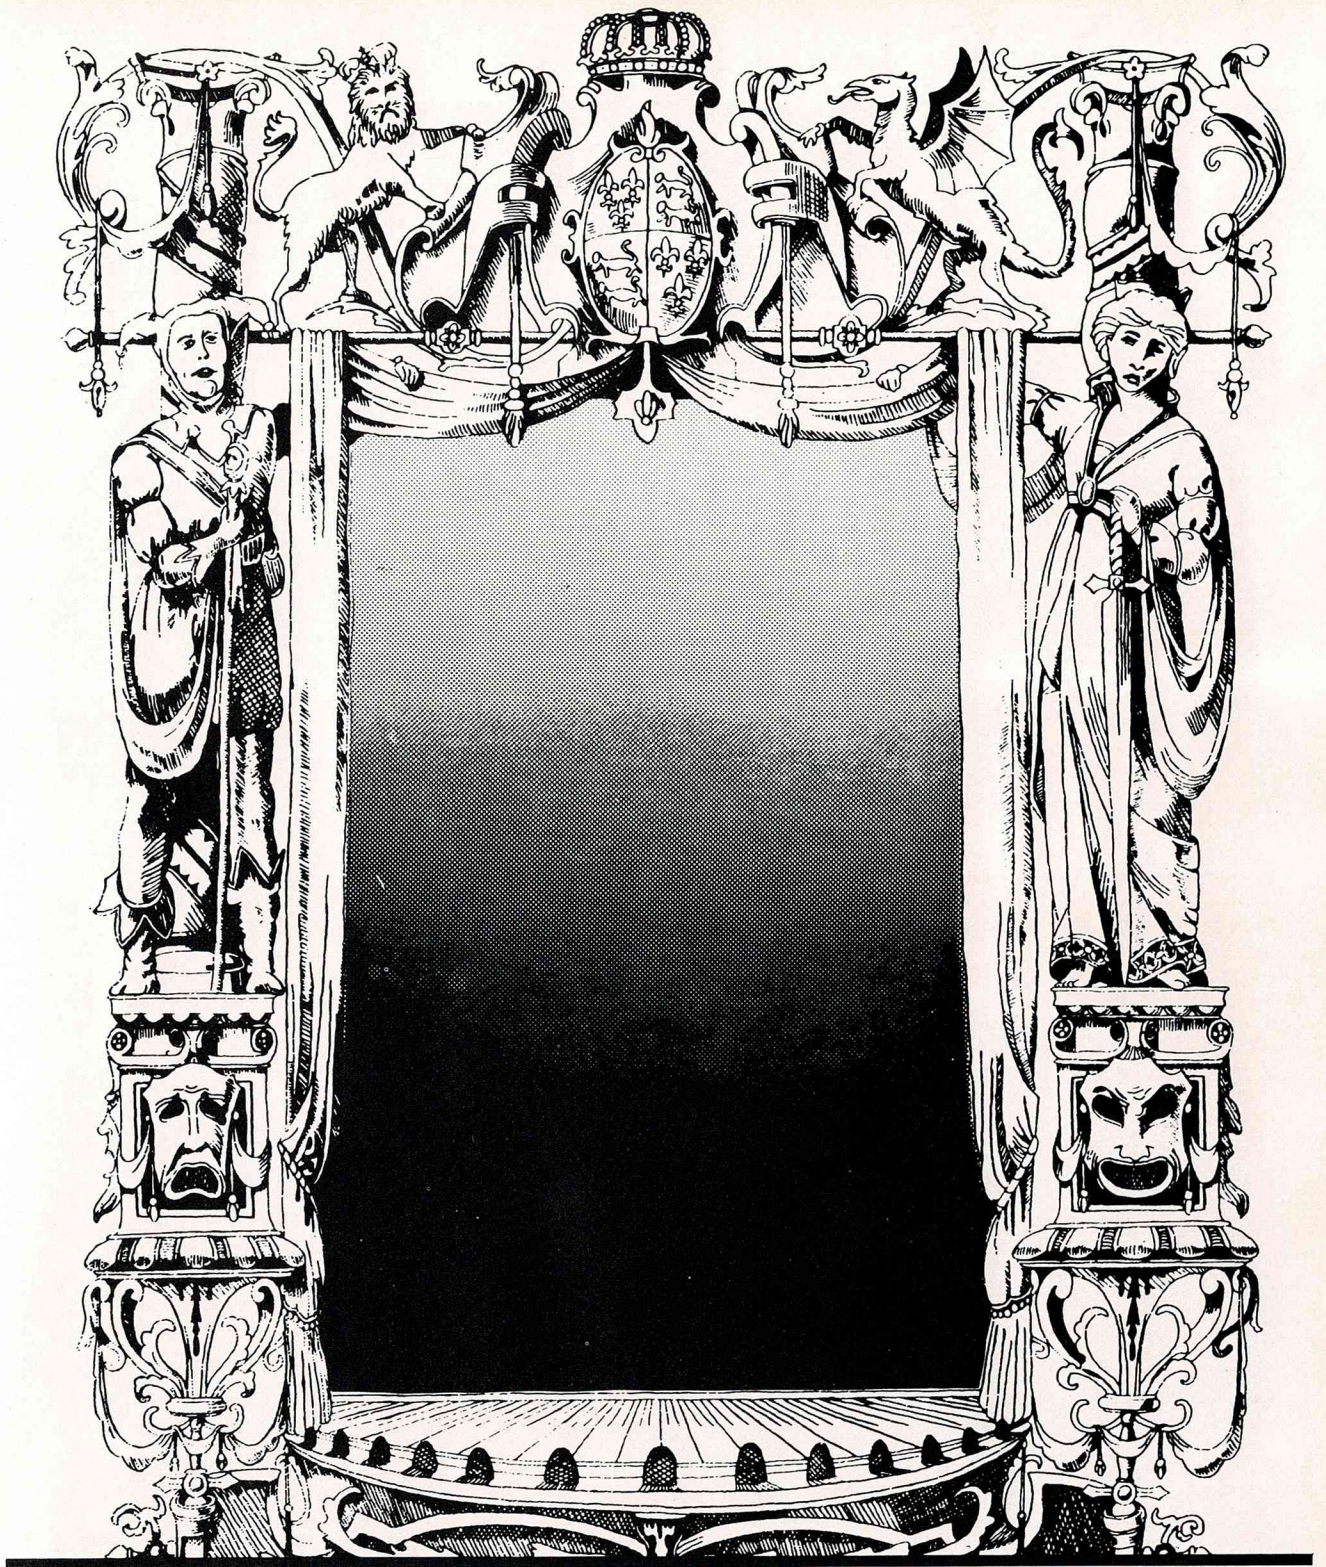

On May 5, 1977, the first annual SFT Art Fair was held. In spite of stormy skies about two hundred people braved the weather to enjoy students art exhibits that lined the hallways, and offerings of prize winning presentations from the speech and Spanish Classes as well as vocal music provided by the Choraliers.

Kim Richardson gave an extemporaneous speech on the subject of sports. Ruth Toliver presented her oration entitled "Violence on Television" and Cindy Cowen provided an oral interpretation of two poems by Robert Browning.

Two of the Choraliers selections were "Suedown" and "Norwegian Wood". Terri Boggs and Terri Wilhite represented the Spanish Classes at the State Contest and presented their prose recitation "Las estados engomados" for persons attending the art fair. P.S. "Las estados engomados" translates to "The Gumchewers of the States". It is a comic book at the gum chewing habits of Americans from the viewpoint of the Spanish who do not even chew gum in public and therefore find our habits very strange.

# The Imaginary Invalid

THE IMAGINARY INVALID by Jean-Baptiste Moliere concerned itself with the dilemma of a young girl who has chosen her own mate and the not-so-desirable young doctor her hypochondriacal father has chosen for her. The audience cheered the daughter Angelique and her husband-to-be Cleante as the know-it-all maid Toinette found ways of convincing Angelique's father that they should be together while Angelique's step-mother plotted ways to gain all of her husband's money should he finally recognize his imaginary illnesses.

The all school play was directed by Mrs. Mary Phillips. Settings were constructed and backstage assistance was provided by the stagecraft class under Mrs. Phillips' direction.

# Class Of Seventy Seven

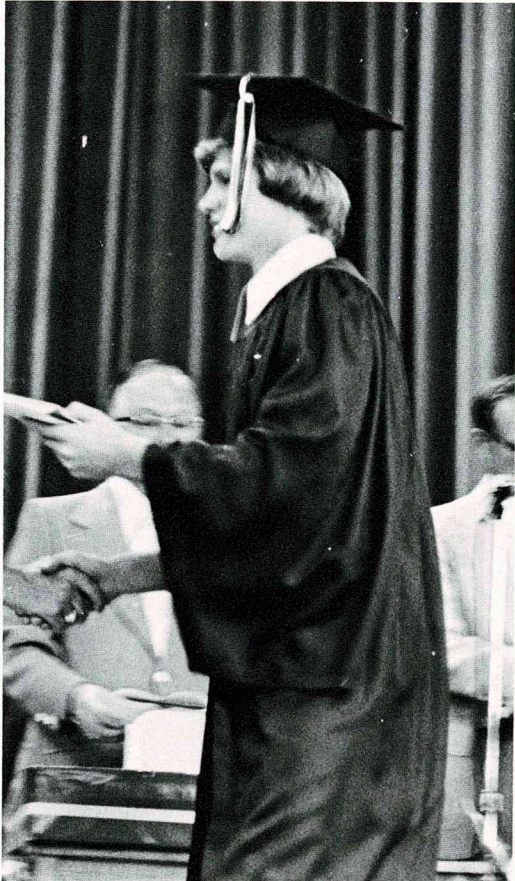

The Seniors had a busy year and really felt like Seniors when they ordered Senior Keys, caps and gowns, announcements and participated in the ultimate Senior privilege---Senior Sneak Day was upon them, and Seniors congregated at Lake Pamona.

May 19, 1977, was an important date for SFT's Class of '77--the moment they had all been waiting for. The Seniors were feeling happy and sad and wondering what lay ahead. Feelings that they would soon be missing old friends -- and, yes, maybe even the halls of SFT began to haunt them.

John Butel, Valedictorian, and Sherrita Mercer, Salutatorian gave their speeches and class members received their diplomas on schedule, and spirits remained undampened in spite of the torrential rain that fell as friends and relatives arrived for the ceremonies. The outstanding Senior Girl and Boy awards were presented to Debbie Johnson and Jim Ruble.

Charger colors were carried out in the colors chosen for caps and gowns. The girls wore "Charger" red and the guys wore "Charger" blue. The class colors chosen were maroon and white; a white carnation dipped in maroon was the class flower.

Congratulations and nothing but the best wishes for the Class of '77'!

# Meet The Juniors

Meet the Juniors, a class that will make this a memorable year.

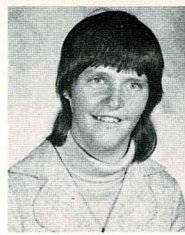

Class rings arrived and Juniors found many ways to make certain these handsome symbols of their class did not go unnoticed.

With thoughts of the fun and their special responsibility to the Prom the Juniors sold magazine subscriptions to finance their efforts to make this a fantastic one for the Seniors and themselves.

Enthusiasm and energy were never in short supply as the Juniors represented their class, their school, and themselves in football, basketball, (girls and guys), volleyball, wrestling, golf, and track.

The Junior class was well represented on the Cheerleading Squad, Pom Pon, Debate teams, Kay, Kayettes, S.F.T.'s band and vocal music programs, and Student Council.

There are great things in store for S.F.T. as this years Junior Class becomes the Senior class next fall --- and great things in store for the Juniors themselves when they move up and out of S.F.T. to pursue their individual goals.

# Sophomore Hit Halfway-Mark

This year brought more confidence to the Sophomore class. After all they had survived the Freshman year.

They were able to choose more of their own classes and they tried out for J.V. and Varsity teams.

In March they were enthusiastically waiting news of whether or not they were invited to join National Honor Society. They started to raise money for the Junior and Senior Prom which they will sponsor. But the most exciting thing was ordering their class ring. When the rings arrive, this years Sophomore class will finally know what it feels like to be an upperclassmen.

## Rookies Survive First Year

The Freshmen found their high school days filled with many exciting challenges. There was always something new to do or to learn about. Friends also played an important part on everyone's lives; there were new pals from the other two towns.

Their first high school days were filled with the usual problems, such as finding their way from class to class without being late, stuck lockers, and upperclassmen who made it plain that Freshmen were not wanted.

The Freshmen soon found ways to become involved, and once they did, they found high school was not so bad. They had many new experiences but as their Freshmen year came to a close, they realized that they had survived their first year and were looking forward to their next three years!

# Hard Work Brings Success

Miss Babb felt that the varsity squad had an improved season. Last year's record was 1 win, 8 losses, and the record for this year was 8 wins, 9 losses. Coach Babb thought the season lacked consistency but the possibilities for next year are good. The returning let-terms will be Kim Richardson, Tracy Harrison, Amber Flowers, Janel Anderson, Coleen Reece, and Debbie Sand; also many promising junior varsity players.

Sandy Forbes was chosen for the All-League volleyball team.

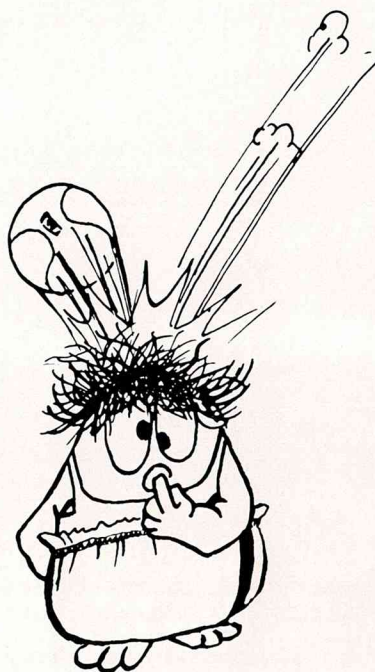

The varsity volleyball players for the 1976-77 year were: Sandy Forbes, Debbie Sand, Debbie Johnson, Coleen Reece, JoAnn Buckland, Janel Anderson, Amber Flowers, Tami Rice, Tammy Marsh, and Tracy Harrison. BACK ROW: Coach Lind, and Coach Babb.

## J.V. Players Gain Experience

Coach Lind thought that the Junior Varsity team was very young and inexperienced, composed mostly of freshmen. For many, it was their first attempt at playing power volleyball. She feels that by the time the freshmen become seniors, S.F.T. will be a strong contender for the league title. The overall record for the 1976-77 year was 4 wins, 4 losses.

Cross Country Runners....FRONT: Chuck Smith, Don Emerson, David Darby, Andy Campbell, John Lira, and Harlan Carothers. BACK Chris Schoolcraft, Mike Hough, Mark Howard, Garry Gibbs, Scott Allen, Ron Emerson, and Coach Stan Hilligoss.

The Cross Country team has progressed in numbers and talents from the beginning of the high school's history. This year has been better than the past few because the team picked up their first trophy at the McBurney Invitational Cross Country meet.

The people who participated and their best time are: Mark Howard, 10:11; Garry Gibbs, 10:52; Chuck Smith, 11:12; Chris Schoolcraft, 11:54; Mike Hough, 11:56; David Darby, 12:19; Don Emerson, 12:19; Scott Allen, 12:54; and Harlan Carothers, 11:57. Mark set a new school record with his time of 10:11.

The future outlook of these boys proves to be very promising, only losing one Senior, Mike Hough. We would like to encourage the underclassmen to participate in Cross Country next year.

Coach Hilligoss proudly displays the trophy which was won by his runners at the McBurney Invitational this season.

# Chargers Back Stiff Odds

Varsity Football members—BACK: Bob Hug, Rex Sleichter, Jeff McCullough, Mike Ganger, Stan Friesen, David Jolly, and Rusty Weekley. FRONT: Brett Karr, Jerry Clements, Duane Shively, Dean White, and Mike Fulton.

Though the Chargers didn't fair well in their season play, they offered stiff competition. The Chargers fought tooth and nail in two very indecisive games: Spring Hill with one overtime and Basehor with three overtimes.

Leading the Chargers on the defensive end were David Jolly, Mike Ganger, Jerry Sand, and Russell Neil with 133, 121, 86, and 84 tackles respectively. On the offensive end David Jolly led the Chargers on the ground

with 541 yards and Rusty Weekley had 287 yards in the air. Rex Sleichter led the Chargers on the kicking end with a whopping 1339 yards with a 38.3 yard average.

There were two outstanding seniors this year for the Chargers and they were picked for the Jayhawk All-League first team: David Jolly, linebacker (133 tackles and 4 fumble recoveries) and Rex Sleichter as kicker. These two people supplied leadership for the Chargers and kept the team together.

Rex Sleichter practices running through plays at practice.

## Season Record 4-1

25 boys out for football and 24 stayed out for the season. Real competition. All I had to do was ask something to be done and they did it. Won one game in double overtime in the rain. Some teams had some sophomores playing.

The boys love to hit. They get a lot of people around the ball. (Love that defense.)

A typical practice during the regular season.

The 1976-77 Chargers Wrestling year proved to be a good one. Despite only 5 returning senior lettermen, the Chargers (5-2) managed to capture 3rd place in the Jayhawk League finishing below Louisburg and Baldwin. Their record was 7-3-0.

The Matmen opened their season at the Baldwin Invitational where Steve Bessette placed 1st at 126 lbs. Tony Fawl placed 2nd at 138 lbs., and Russell Neil placed 3rd at 155 lbs.

Tony Fawl managed 24 take-downs which broke Leo Lang's school record of 23. Also broke Leo's reversal record of 20 to 28. Leo's 3pt. Near Fall record of 12 wasn't broken but Tony now shares the record with him. Bill Sand's total points record of 196 was broken when Tony scraped together 224 points.

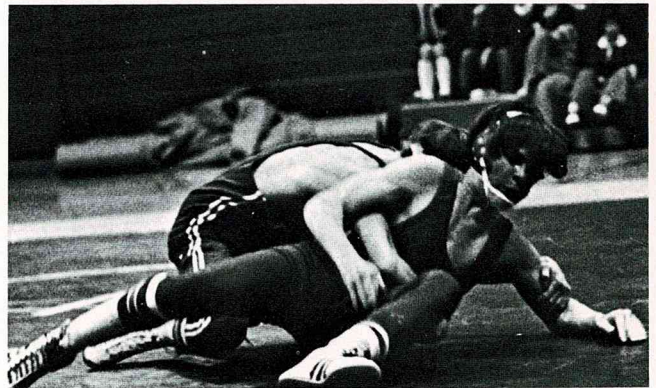

On February 4&5 the Santa Fe Trail Chargers Wrestling

squad traveled to Ottawa for their 3rd Regional Tournament. Out of 13 schools Santa Fe placed 7th. To qualify for state tournament an individual has to place in the top 4. Santa Fe qualified 2 wrestlers: Dean Shinabarger (13-7) 2nd at 145 lbs.; and Tony Fawl (18-8) 4th at 138 lbs. They went to Goodland, Kansas, February 10, 11, & 12 for the State Tournament but both wrestlers were eliminated after the first round of competition. Steve Bessette and Duane Shively came within 1 match of qualifying.

Twenty-five wrestlers were out this year. All of the freshmen gained experience and some even saw varsity action. Next year there will be 8 possible returning lettermen. The matmen won 70% of their duels and 66% of their individual matches this year. They also out-scored their opponents 343-252.

The 1976-1977 basketball season was a very successful one from all aspects. The basketball squad, composed mostly of seniors went through their league schedule without a defeat, making them the Jayhawk League champions. This included a double overtime victory against Blue Valley-Stanley, overtime wins over Louisburg and Basehor and narrow victories over Spring Hill and Wellsville.

In a very tough non-league sched-

ule, the Chargers defeated Olathe, a large 4-A school, and Holton, a tough 3-A opponent with an impressive won-loss record. One of the major highlights of the season was the first ever varsity victory over Lyndon, ranked in the state at the time in class 2-A. The game played on Lyndon's home floor, ended 46-45 and avenged an earlier loss to the Tigers. The Chargers also played against schools of high caliber such as Atchison, last year's 3-A state

champions, Kansas City-Harmon, 4-A member of the Kansas City Kansas League, and Topeka-Hayden which was a one-point loser to Washburn Rural in the sub-state tournament. Washburn Rural went on to be the runner-up in 3-A competition on the state level.

The Chargers established two records in the 1976-1977 season. On January 28, 1977, the team made 22 out of 39 shots, establishing a new game field goal percentage at 58%. Overall, the Chargers made 210 of 368 free throws for a team free throw percentage of 57.1%.

The 1976-1977 season was one marked by determination and desire on the part of all participants. The Chargers were represented on the Jayhawk All-League team by two team members, Mike Ganger and Rex Sleichter.

# Hard Work Brings Gratifying Results

BACK-Rick Waitzig, Garry Gibbs, Kirk Snyder, Jim Reed, and Scott Allen. MIDDLE-Richard Jolly, Greg Fischer, Jerry Clements, Travis Waugh, and Chris Schoolcraft. FRONT-Tim Robitaille, Stu McClain, Bryan Clements, and David Brookhouser.

The junior varsity boys worked very hard and when it came time to show what they had learned, the results were gratifying. As the season progressed they ball players started to get a feel for what they could and could not do. Lineups changed from week to week. We ended our season with 9 wins and 7 losses.

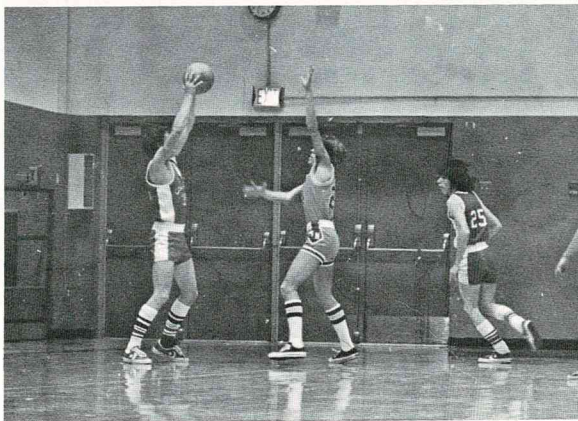

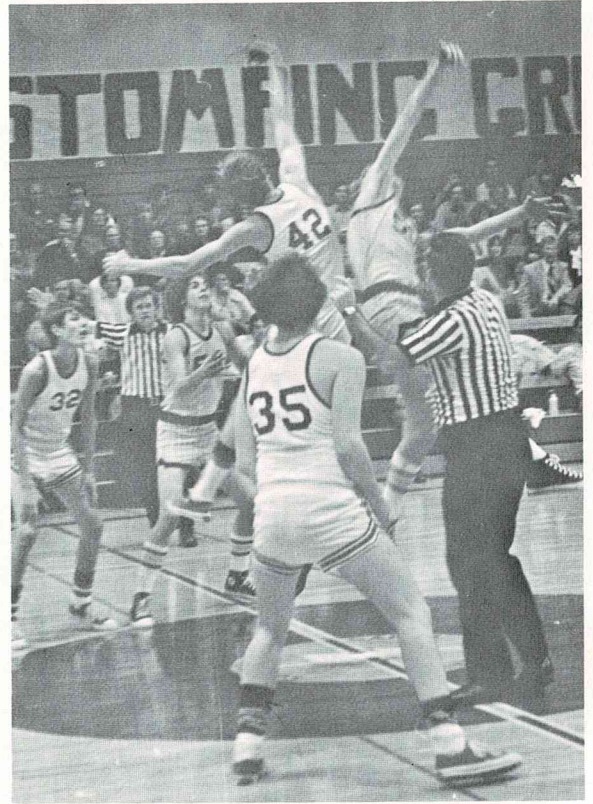

When you win a game it's easy to be cheerful and excited. But when we lost and the boys got over the initial shock they could say "Well, we've got to work on what we did wrong." They had the strength and spirit to turn the losses into a learning experience, and became excited with the process of correcting problems--that's when you know you've got a winning team. The future of basketball at Santa Fe Trail looks good.

A few statistics are in order. First of all we were out shot percentage wise in both field goals and free throws: Field goals - SFT, 38%; Opponents, 42%. Free throws - SFT, 44%; Opponents, 55%. With those statistics you might wonder how we won 9 games out of 16! The answer lies in the fact that we out-rebounded our opponents 616 to 493, we fouled less (298 to 334) and we out-scored them 899 to 837 points. No one person felt they had to do the job by themselves--and we had fun!

The 1977 Golf season at SFT was very successful both from a team and individual standpoint. Individually Chris Hamman finished as second league medalist and Jamie Jewell finished 4th. Team wise our 4 man team tied for first at regional and went to state.

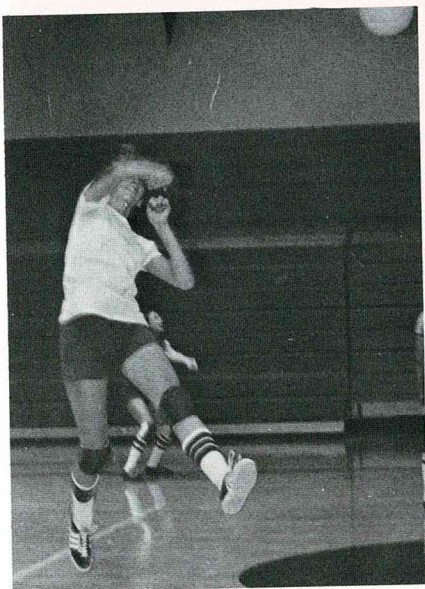

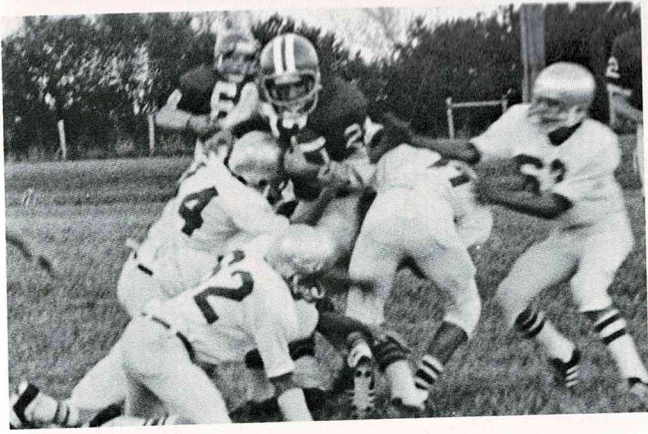

# Action

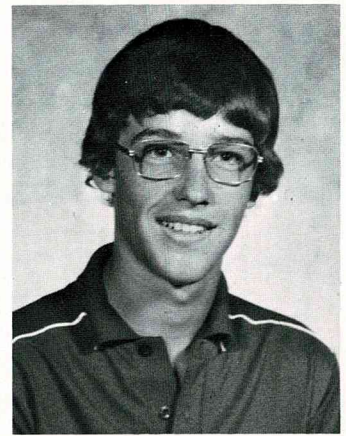

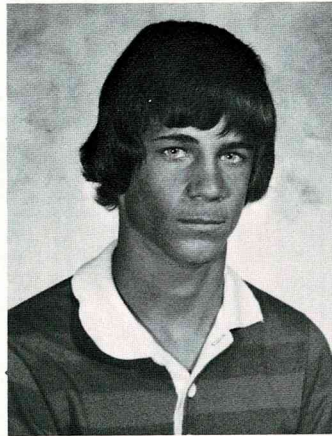

# Tracksters Have Several Good Outings

The team did fairly well at several outings this year in track. The Chargers took second at the John Buenegr Memorial Relays, and third at the Baldwin Invitational.
