# History

The 1<sup>st</sup> school was built in 1873 on the same site as remained throughout its history. In 1914, 15 students were among the first graduating class.

In 1914 a brick structure replaced the wooden school. Census of 1930 showed 210 students in school.

A third addition including a new gym, was completed in 1954. In 1967 Scranton had 130 Grade School and 60 High School enrolled.
